SCREENING REPORT:

& Unable to load Original Teeth image & Unable to load Annotated Teeth image

-  Inflamed / Red gums
-  Malaligned
-  Receded gums
-  Stains
-  Attrition
-  Crowns

TREATMENT RECOMMENDATIONS:

Inflamed or Red gums: Scaling.

Malaligned: Braces or Clear Aligner.

Receded gums: Gum Surgery.

Stains: Teeth cleaning and polishing.

Attrition: Filling/ Night Guard.

Crowns: If the crown is loose or broken, better get it checked. Teeth coloured caps are the best ones.
